

# Cradle Mountain & Freycinet National Park Day Tour

## AVAILABILITY

(IF YOU ARE A BUSHWALKER PLEASE GO TO OUR BUSHWALKERS TRANSPORT MENU)

Please look at the chart below to check availability of a tour. If it says "no availability" it means either the bus is full, we are not running a tour on the date shown or we do not have the minimum number.

Please note all our tours are subject to a minimum of 4 passengers on a day tour (outward and return transport), however, to avoid disappointment you could either try another company or we would still run a tour providing we cover the cost of 4 seats. This means if there is only three booked on a particular date we would still run a tour, but the cost would be based on 4 passengers but shared between 3 passengers. i.e. example tour cost \$120.00 x by 4 = \$480. With this example the cost for 3 passengers would be \$160.00 each. Please note this is example cost only as our tour costs are different depending on the destination.

If you just want "one-way transport" ie. You are either staying at Cradle Mountain or Freycinet or a bushwalker undertaking the overland track or Freycinet circuit walk our special one-way fare is only available providing we already have four passengers booked on a full day tour. If we are unable to provide one-way transport on our tour bus, please phone us or check our availability on our special bush walker bus.
